1 COOKIES

A cookie is a small text file that is placed on the hard drive of your computer or mobile device when you visit a website. The cookie is placed on your device by the website itself (“*first party cookies*”) or by partners of the website (“*third party cookies*”). The cookie recognizes your device by means of a unique identification number when you return to the website and collects information about your surfing behavior.

There are different types of cookies. We distinguish the following cookies according to their purposes: there are essential or strictly necessary cookies and non-essential cookies (functional, analytical and targeting cookies).

The Belgian Act of the 13th of June 2005 concerning Electronic Communications contains some provisions on cookies and their use on websites. The law is a transposition of the European e-Privacy Directive, which means that the cookie legislation can be implemented differently in other European member states. Van Eenoo is based in Belgium and therefore follows the Belgian and European legislation on cookies.

2 PURPOSE AND USEFULNESS OF COOKIES

By visiting the website, you can agree to the placing of cookies. Cookies help Van Eenoo to optimize your visit to the website and to offer you an optimal user experience. However, you are free to delete or restrict cookies at any time by changing your browser settings (see “Managing cookies”).

Disabling cookies may affect the functioning of the website. Some features of the site may be restricted or inaccessible. If you decide to disable cookies, we cannot guarantee you a smooth and optimal visit to our website.

3 TYPES OF COOKIES USED BY VAN EENOO

We distinguish the following types of cookies:

- **Strictly necessary cookies:**

These cookies are necessary for the website to function and cannot be disabled in our systems. They are usually only set in response to actions taken by you, such as setting your privacy preferences, logging in, or filling out forms.
- **Non-essential cookies:**

These cookies themselves are not necessary for the functioning of the website, but they do help us to offer an improved and personalized website.

 - **Functional cookies:**

These cookies enable the website to provide enhanced functionality and personalization. They can be set by us or by third-party providers whose services we have added to our pages.
 - **Analytical cookies:**

These cookies allow us to track visits and traffic so that we can measure and improve the performance of our site. They help us know which pages are the most and least popular and how visitors move around the site.
 - **Targeting cookies:**

These cookies can be set by our advertising partners through our site. They may be used by those companies to build a profile of your interests and show you relevant advertisements on other sites.
